Why choose us as the best supplier?

01

--- Different solutions can be chosen with different chipset, screen size and designs

02

--- The functional models are customized as what exactly what you like

03

--- The color, the button functions, languages all can be customized

04

--- Delicate product design, production and quality controlling processes

05

--- First hand manufacturer, cost in good controlling

--- We have been concentrating on the educational and electronic products over 22 years.

--- Good experience in big customers services. We have been cooperating with world big brands, like Lenovo, Foxconn...and the leaders brands in education.

--- Powerful R&D: over 50 members groups, including design, hardware, firmware and software to fulfill all kinds of demands

--- ISO9001/ISO14001 certificated factory, Modern dust-free workshop and production process, big capacity and fast delivery.

--- Critical quality controlling system, quality is guaranteed.

--- Comprehensive supply chain management system, quality suppliers under controlling

--- Powerful resource integration ability, software, hardware, testing, production, packaging design, accessories procurement, printing... one-stop services.

--- Professional sale teams and services ability, considering for clients anytime.

--- Win-win cooperation concept.

XUEZHIOU

ISO9001 factory over 21 years with R&D Groups

With us, your business is safe and guaranteed!
